ST PANTELEIMON FC

St. Panteleimon FC (nicknamed "The Saints") was established within the Greek Orthodox Community in Harrow - NW London in 2015, to create a sporting and family based team. Our philosophy is the provision of a safe and supportive community setting, encouraging skills development, fitness, fair play and teamwork.

As of April 2018

St. Panteleimon FC achieved The FA Charter Standard Club Award, presented by the Middlesex FA.

We strive to provide an inspirational and motivational environment where preparation, practice and hard work generate legitimate opportunities for success, while emphasising the importance and development of fundamentals and techniques necessary for positive experiences in football and in life, creating a consistently exciting and entertaining programme that generates a wave of support, pride, and tradition for our entire community to share.

The Team was blessed by His Eminence Archbishop Gregorios of Thyateira and Great Britain.

Our team competed in the Cypriot KOPA League for two seasons, winning the double in 2016, as Second Division champions and Cup winners. In the 2017-18 season the "Saints" entered the English Football Association system, joining the Middlesex County Football League Division 1, and were promoted as undefeated Champions!

The 2018-19 season proved even more successful with the Saints claiming the Middlesex County Football League Premier Division Double registering only one loss for the entire year, winning the Championship and the Cup! We were also honoured to participate for the first time in our early history in the FA Vase, reaching the first round proper, after succeeding in the first two qualifying rounds.

CRICKLEWOOD WANDERERS FC

Cricklewood Wanderers FC was founded in the summer of 2011 by a group of young people with the support of a local charity based in Cricklewood. The idea of the club came about when the young people themselves organised and delivered a very successful five-a-side

tournament at Power League Wembley in July 2011, from which the first players were selected. The Club is one of several projects run by Youth Engagement Solutions Ltd (YES Ltd) a charity based in Brent that operates across London. Its aim is to help 10 to 30 years old in making positive choices about their life and currently the club has 4 competing teams, plus a recreational football group. Our first team competes at the Middlesex County League and it shares its ground with Wembley FC. We have 168 players registered across the 5 teams/groups coming from 19 London Boroughs with 43 nationalities represented across the whole club. Our Football Club differs from other clubs in that we use football not only to engage young people in sport activities, but also to enable them to enhance educational achievements and pursue a chosen career with the help of Youth Engagement Solutions.

Our Club competed for the first time on the Middlesex County Football League– Division One (Central and East) in the season 11/12 with the 1st Team and Islington Mid-week league with our Reserves Team. After our very first season the club finished fifth in the MCFL. Not bad for a beginner's club! The following season marked a very successful season for the club, we lifted a very first trophy the Challenge Cup in IML then both Teams won both league titles to move into the respective Premier Divisions.
